## **Modernization: Attention All Providers: Instructions for Reading a Remittance Advice**

On February 1, 2019, the Division of Health Care Financing and Policy (DHCFP) implemented a new, modernized Medicaid Management Information System (MMIS). With the implementation of the new MMIS, the formatting of remittance advice (RA) information has changed. Due to the changes, Nevada Medicaid has created a training tutorial to assist providers on how to read the new remittance advice.

Please review the training presentation "Reading a Remittance Advice (RA)" posted on the [Provider Training webpage](#) under Workshop Materials.

If you have any additional questions, please do not hesitate to contact Nevada Medicaid.
